Re: *United States v. Jafar Borden*, 15 Cr. 95 (JPC)

Dear Judge Cronan:

The Government writes to request an adjournment of the status conference in defendant Jafar Borden's violation of supervised release matter scheduled for tomorrow, August 10, 2022.

On or about August 8, 2022, the Bronx County criminal cases underlying specifications One through Four of the violation report (relating to an alleged strangulation of a relative of the defendant's and assault and obstruction of a law enforcement officer) were dismissed. (The defendant also is charged with specifications relating to drug use and failing to report to drug treatment, among other violations).

In view of the nature of the alleged domestic violence offense, and the fact that the defendant had previous charges relating to an alleged August 2020 strangulation of a romantic partner, which case was also dismissed in Bronx County, the Government seeks a brief adjournment to investigate whether Specifications One through Four can be proved. The Government spoke with defense counsel today, who consented to the adjournment request, but requested that the next conference occur on or after September 14, 2022. The Probation Department also joins the adjournment request.

The parties' request is granted. The status conference current scheduled for August 10, 2022, at 4:30 p.m. is adjourned to September 14, 2022, at 2:00 p.m. in Courtroom 12D of the Daniel Patrick Moynihan United States Courthouse, 500 Pearl Street, New York, NY 10007.

SO ORDERED.
